

25th MEETING ON EARLY INTERVENTION INTO ACUTE PSYCHOSIS

AUG 26-28, 2021

LITHUANIA (AS A VIRTUAL HOST)

PROGRAM AT A GLANCE

PRACTICAL REMARKS.

1. **All the time in the program is CET** (Central European Time).
2. The division of the days is a traditional division of the meeting days starting from 1996. But any changes are possible – it is up to participants.

CLINICAL DAY (AUG 26, 2021, THURSDAY).

13.00 – 14.30 Opening. 25 years of Open Dialogue for Mental Health Care System. Jaakko Seikkula (Finland) and Ramune Mazaliauskiene (Lithuania). **Presentation of the groups and participants: how are we in these strange times? All participants in the Main room.**

14.30 - 15.00 Break. Having coffee and splitting into the groups.

15.00 - 16.30 Group discussions.

Room A. Andrea Zwicknagl: “Open dialogue and suicide”.

Room B. Werner Shutze: “Essentials of Open Dialogue. A continuation of the course to Lithuanian participants”.

Group dedicated to Lithuanian participants who took part in training.

Room C. Mia Kurtti: “Perspectives to dialogical and collaborative trainings”.

Room D. Jordi Marfa Wallverdu: “Usefulness of Zoom and similar platforms in Open Dialogue. Lights and shadows, beyond the pandemic time, across different experiences”.

Room E, F, G, etc. open for proposals. **Additional rooms can be organized.**

16.30 – 17.00 Break.

17.00 – 18.30 Continuation of group discussions or groups on new topics that will emerge.

Room A. Andrea Zwicknagl: “Open dialogue and suicide”.

Room B. Werner Shutze: “Essentials of Open Dialogue. A continuation of the course to Lithuanian participants”.

Group dedicated to Lithuanian participants who took part in training.

Room C. Jordi Marfa Wallverdu: “Usefulness of Zoom and similar platforms in Open Dialogue. Lights and shadows, beyond the pandemic time, across different experiences”.

Room D, E, F, G, etc. open for proposals.

18.30 – 19.30 Wrap-up of the day with all participants. Short remarks from all the groups (Main room).

19.30 – Late night. Informal part with a glass of wine (Main room). Keep the “Zoom” turned on!

OPEN DAY (AUG 27, 2021, FRIDAY).

See separate program for the Open day below.

Separate discussion rooms can be arranged for those who will express willingness to continue clinical or organizational, or scientific, or whatever discussion. Just let the organizers know beforehand.

RESEARCH DAY (AUG 28, 2021, SATURDAY).

13.00 – 14.30 PLENARY with all participants (Main room).

Rafaella Pocobello (Italy). First results of the HOPEn Dialogue project.

Nils Greve (Germany). GBV – a German RCT project aiming at dialogical networking in out-patient mental health services.

Lupo Macolino (Italy). Implementing Dialogical Principles and Key Elements in clinical practice. The point of view of a psychiatrist “in charge”. A naturalistic pilot study.

Space open for any other research question.

14.30 – 14.45 Break.

14.45 – 16.15 Group discussions about the experiences during those days and expectations for the next meetings – live, virtual or hybrid. Proposal is to join the language groups, and those participants who are alone (but not lonely!) can join an English-speaking group.

ROOM E. ENGLISH. The room that can be joined by participants not only from US, but Finland, Japan, Greece, Italy, Belgium, etc.

ROOM D. DENMARK.

ROOM G. GERMANY.

ROOM P. POLAND.

ROOM L. LITHUANIA.

ROOM SP. SPAIN.

ROOM SW. SWITZERLAND

ROOM X. ANY OTHER COUNTRY OR LANGUAGE. OR ANY CLINICAL GROUP THAT WOULD LIKE TO MEET.

16.00 – 18.00 Plenary meeting (Main room). How we will continue, and our future. Ideas from the groups.

SEE EACH OTHER IN MADRID, SPAIN, August 25-28, 2022.
